**NEXT MATCH: Feb 25, 2006**

**MATCH SET-UP: 8:30 a.m.**

**SHOOTING STARTS: 10 a.m. or When the Match is Set-up**

## February 2007

It's time to shoot again! Match Director this month is...me (Kevin Jimmerson). 4 stages this month, round count will be 100, if you don't miss. Two of the stages we are shooting this month are classifiers. I have been asked by several of our new shooters to have an extra opportunity to get classifiers in the book and these two stages fit our format pretty well. You new shooters may be interested in knowing that USPSA has lowered the number of classifiers you must have on file to receive a classification from six, to four.

Brad Phair has volunteered to bring his grill to the match and cook some grub! The club will be covering his expenses for sausage, tortilla's and charcoal. I think this is a great idea, and if we all pitch in and give him a hand it will make our day that much more enjoyable. Bring your favorite beverage with you, or you can buy cokes and water from the range office for just 50 cents.

It has been mentioned to me by several members that they would like to have some sort of Steel Challenge shoot off at one of our matches. I think this is a great idea, I'm not sure how we will run it yet (I'm thinking as a side match given our limited space), but Brad is very interested in doing it and he is the Match Director for March...give him your thoughts at the match this Sunday. Or better yet, post up on our Brazosland Pistoleros Forum and see what everyone thinks...you have joined the Forum right??? What other IPSC club has a Forum? The link is on the front page of Brazoslandpistoleros.com, check it out!

As always, we never know what the weather will do to us in January or February, so we try to keep things moving fast and quick. This is an all-weather sport so unless it is pouring down rain (sleet doesn't count...) or the lightening is hitting the target stands...we shoot!

Club dues will be coming due in April for all who have not renewed since last year. Its still \$25.

It's the Match Directors job to insure that match set-up is done properly, and on time. Since the stages I have drawn this month will take some extra time to set-up, I will be out at the range Saturday afternoon working on that and doing some "test runs". Any help is appreciated and we can do some shooting too.

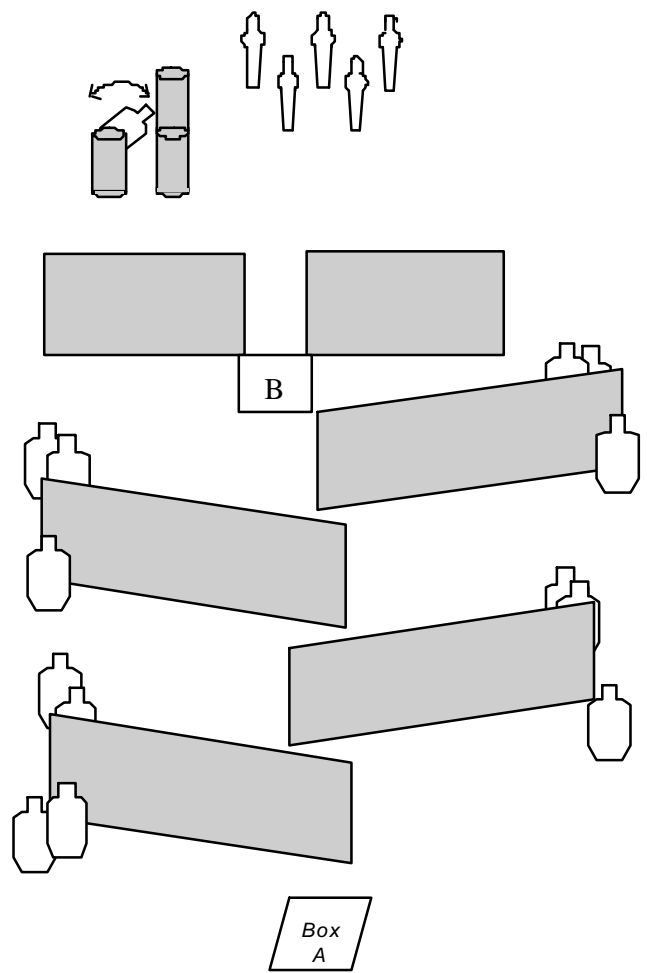

We are taking volunteers for Match Directors; currently scheduled MD's are listed on the News page of the web site. Let me know if you are interested in adding your name to that list.

See you Sunday! Kevin J.
