March 2007

>>>I apologize for taking so long to get the newsletter out this month, my computer was not cooperating. <<<

It's time to shoot again! Our Match Director this month is Brad Phair. 4 stages for us this month. Round count is 70. That may seem a bit low but Brad is planning a speedy match so that we can have a...Steel Challenge! It should be a great shoot. The weather is hard to figure now but I hope the long range forecast is correct as it is calling for minimal rain.

The Bar-B-Q was so well received last month that we are doing it again. Donations are excepted, and if anyone wants to bring a cooler of Iced Tea or something else to drink (no adult beverages, of course), paper towels, etc that would be even better.

The Steel Challenge is a great idea and should be big fun. We will charge \$5 for this side match and the winners will receive a free Pistoleros Match Fee for the next match they shoot with us. As always its important to stay to help with Pick-up and help at 8:30 for set-up is ALWAYS welcomed!

I'd like some input on a Carbine side match in the next month or two and also on whether the club would like to have another Multi-gun Match. Would you prefer Rifle/Pistol or Shotgun/Pistol? Or Rifle/Shotgun? Post up on the Pistoleros Forum with your thoughts and stage ideas. You have joined the Forum...right??

Shoot safe, Kevin J.
