SHOOTING STARTS: 10 a.m. or When the Match is Set-up

August 2008

OK, so last month we had a great time at our shotgun match! This month we will do our almost annual August Classifier Match. Four stages with some good shooting challenges. Total round count is 58 rounds, but there are some steel on CM 99-28.

I want to thank everyone that braved the heat to come out and last month to shoot, set-up and tear down. I know it was hot as a furnace fan out there and I appreciate everything that everyone did to get the match underway on time.

This month the weather actually looks like it will be a bit nicer than expected...the weatherman cant decide if they will leave a chance for showers on Sunday in the forecast or not, so be prepared just in case. I think we will have a great day shooting and with the four classifiers we have, it should wrap up pretty quickly.

We will have a side match when we are done if anyone wants to stick around... It will be a multi-gun stage made up of CM 99-28 and CM 03-08. 26 rounds total, you will shoot the steel with your handgun, ground it, and then finish the stage with your rifle while moving to a different shooting position.

As always we should have some good Bar-B-Q eats (and don't forget to make a "donation" for the food expenses.)

Set up starts at 8:30 AM and we can use all the help we can get...if you can make it out early everyone will be glad you did!

Its gonna be HOT. Don't forget to bring sunscreen, a good hat and plenty of water.

See you Sunday & Shoot safe,

Kevin J.
