November 2006

It's time to shoot again! Our Match Director this month is Barry Burdett. Barry has 4 stages for us this month (no combo since it may be nasty weather) and they should all be fun and challenging! Round count this month is only 56, but you will notice we have one almost-all steel stage...so I'd bring a few extra. Just in case you... well, you know...

All Tied Up is a stage, not a preference, and when its done you will feel challenged (and maybe a little abused). The rope limits you to using one hand only...so plan on shooting weak hand on one of the arrays. We will have a shotgun side match with Little People, Big People if enough are interested. Bring enough rounds for the steel and 3 slugs for the paper targets.

Based upon the responses we have had the December Match is now scheduled for Dec. 17th. We will finalize that at the match on Sunday. December's match Director is Matt Driffill.

How's your Latin (and Texas history)? Half-price match fee to the 1st shooter to tell me the meaning and historical significance of our new club logo above...

As always, any feedback is greatly appreciated. This club is here for you all to enjoy, so let us know what your thoughts are...

Have a Happy Thanksgiving & See you Sunday! Kevin J.

All tied up.
