December 2006

It's time to shoot again! Our Match Director this month is Matt Driffill. 3 stages for us this month and a Combo! Bring your cleats, the combo will be some runnin' and gunnin'!

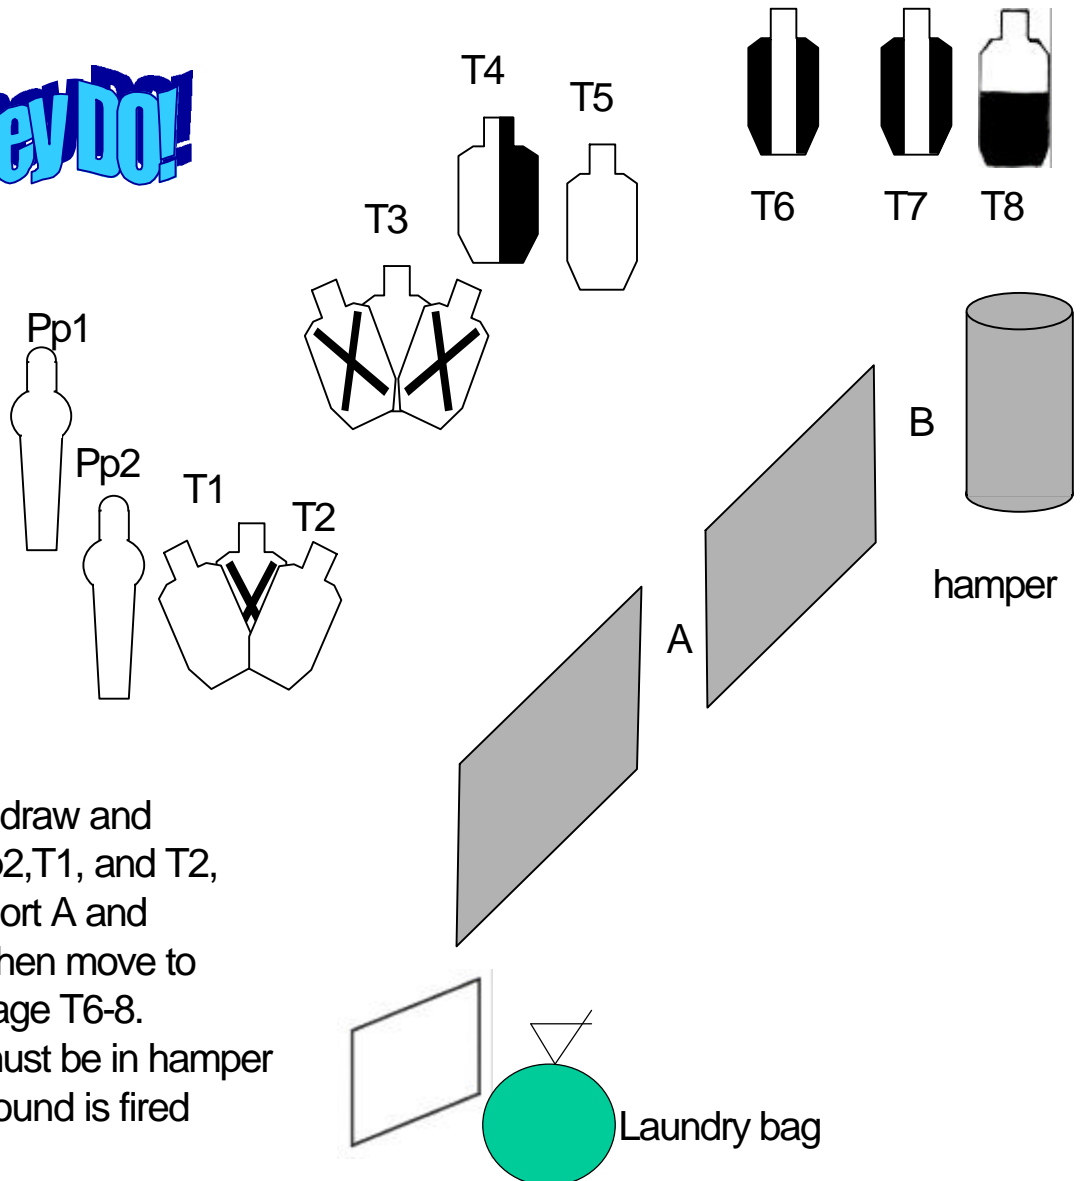

We have had several new shooters the last couple of months...I hope you guys have enjoyed yourselves and plan to come shoot with us again. I am really proud of our club members for going out of their way to make our visitors feel welcome and to introduce them to our sport. If you have a few days off this month, try to take someone shooting who has never done it...it's a great feeling to watch someone discover how much fun it is to play with these cool toys we have... Shooting is a discipline, but its also a whole lot of fun!

Set-up usually begins at 8:30 & we are hammer down at 10AM...if you are able to come out early to help set-up or stay until shooting is done to help pick-up...we sure do appreciate it. The long-range weather looks like it will great on Sunday. Our total round count will be 69, so we should be able to have a quick match. I hope everyone is able to make it out.

FYI, I'm told that in January we will have a Carbine Side-Match on the Combo...

Merry Christmas & See you Sunday! Kevin J.
